## TOURNAMENT RULES

### 1. Tournament Committee ("Committee")

The Committee shall be the sole adjudicator of the tournament and rules. Any decision by the Committee shall be binding and final.

### 2. The Tournament Dates

The competition shall consist of the 2022 Shimano Port Hacking 100 Tournament (also referred to as "the Tournament" or "PH100") and will be run during the period – Saturday 30<sup>th</sup> April 2022 to Sunday 1<sup>st</sup> May 2022.

### 3. Competitor Information

A briefing for the tournament will be convened at 19:30 on Friday 29<sup>th</sup> April 2022 at the Royal Motor Yacht Club - Port Hacking, 228 Woollooware Road, and Burraneer (hereinafter referred to as the "RMYC". Attendance is recommended but not mandatory. It is therefore up to each individual team to fully understand and abide to all tournament rules and procedures as set out in this entry form.

### 4. Entries

Tournament Entry Fees are **\$160** per senior male and female angler and **\$60** per junior or small fry angler for Trophy Categories 1 – 13,15,16. **Anyone associated with a tag or capture of a fish is required to enter (Skipper, angler, deckhands, gaff person, tag person).**

A separate fee of **\$250** per boat is payable for entry for each individual cash jackpot Category; 14 & 17. (if fishing both jackpots it's a \$500 payment).

The Captain must sign the entry form and a copy of the vessel's current Public Liability Insurance **MUST** be provided. Entries will not be accepted without the above being completed/supplied.

Team Captains must forward scans or images of completed entry forms via email to [phgfcsecretary@outlook.com](mailto:phgfcsecretary@outlook.com). Entries close on Friday 29<sup>th</sup> April at 12pm. Payment to be made via **EFT ONLY** with the vessels name in the transaction details.

### 5. Teams

The PH100 is open to teams comprising anglers who are financial members of any club affiliated with the GFAA or a recognised State Game Fishing Association within Australia. At the discretion of the tournament committee, proof of current financial membership of a club may be required.

## 6. Fishing from and returning to home ports

Teams may fish from and return to their Home Port on BOTH Saturday and Sunday of the event. Teams are required to make sure they ONLY fish in the outlined tournament fishing zone (**waters south of 33.35.000 Barrenjoey Light House and north of 34.36.000 Kiama Light House and 60 nautical miles seawards from the NSW Coastline (as per Central Zone grid map)**). All vessels must sign on and off with tournament base, it is the skipper's responsibility to follow this procedure, failure to comply will result in team disqualification.

## 7. Fishing Times, Late Hook-ups and Paperwork Requirements

The PH100 is a two-day event. Fishing will commence at **0800** each morning and cease at **16:30** on Saturday and at **16:00** on Sunday. No burleying or fishing shall commence before 08:00 hours on both days. Any fish hooked and reported to the Tournament Radio Base before the end of fishing on Saturday or Sunday may be played to capture or tag and release and will be eligible for inclusion in the tournament provided that the tag card or capture certificate is presented at the tournament weighbridge or via email or SMS before 18:00 on Sunday, 1st May 2022. Boats fishing to their home port on Saturday 30<sup>th</sup> April or Sunday 1<sup>st</sup> May 2022 are able to submit tag cards and/or capture certificates for Trophy Categories 1-13,15,16 via **email to Daniel Bryant - [phgfcsecretary@outlook.com](mailto:phgfcsecretary@outlook.com)**, by 18:00 Sunday 1<sup>st</sup> May. Note that submissions from a home port **MUST** include evidence that they are back in Port and have not submitted the paperwork whilst still at sea. **All paperwork MUST BE CERTIFIED AND APPROVED BY AN Official Club Weighmaster and or Committee Member. Any paperwork received that is not complete or has errors will be REJECTED by the Tournament Committee at their discretion.**

Note - To be eligible for the Trophy Categories 14 & 17, 18:00 on Sunday 2nd May 2021 at Port Hacking. Categories 14 & 17 must be weighed at Port Hacking GFC ONLY.

## 8. Presentation Dinner

On Thursday 5<sup>th</sup> May 2022, a trophy presentation dinner will be held at the RMYC commencing at 18:30. Angler entries include one ticket to the trophy presentation dinner hosted by PHGFC at the Royal Motor Yacht Club - Port Hacking. Extra tickets to the dinner may be pre-purchased with the entry to the tournament at a cost of **\$60** per head. Any extra attendees on the night are at a cost of **\$60** per head and this will be strictly enforced.

Will be conducted as per NSWGFA Guidelines for Radio Schedules for Tournaments. Radio schedules will be kept by all teams with the appointed radio base every second hour commencing at 09:40. Teams may only compete aboard vessels fitted with a working VHF radio that both receives and transmits on VHF Channel 21 & 82

It is each skipper's decision whether to log on with Marine Rescue Sydney when they leave port prior to the first sched at 09:40.

When called, teams are to report to the radio base as follows:

- (a) Team number, team name, current position (referenced to a grid sheet or central zone map to be provided at the competitor briefing) and whether trolling, moored or drifting and the number of persons on board (only in the case of the first radio sched each day of competition).
- (b) Fishing Reports using the "0-0-0" system (strikes, hook-ups and captures/tag and release), angler's name and the line class used to achieve the capture or tag.
- (c) PHGFC requests that all boats call in and notify of all hook-ups and tag/captures at time of the event.
- (d) All fish to be weighed must be measured for the short length at time of capture. Billfish are to be measured from the lower jaw to the fork in the tail (short measurement). Sharks and other gamefish are to be measured from the nose to the fork in the tail (short measurement). The length in centimetres must be reported at the time of capture to the tournament radio base.

Note that it is incumbent upon any team unable to maintain radio contact with the radio base on the fore mentioned VHF channel to ensure that they maintain regular communication with the radio base by way of relayed report from another vessel. Failure to report on two consecutive scheds will result in the boat being considered "missing at sea" and search and rescue procedures will be instigated. A boat, which causes a "search and rescue" situation to be instigated without proper cause, will be disqualified and will be penalised as advised by the tournament committee. If a vessel has radio failure and cannot contact the tournament radio base or relay through another vessel, it must return to port and notify the tournament radio base of their actions.

A ten (10) minute period of radio silence is to be observed before the end of fishing on each day of competition to allow for communication of reports of late hook-ups.

#### **10. Entering and Returning to Port**

All teams must sign off by radio to the radio base when they enter port. If unable to make radio contact with the radio base they are required to report to a member of the Committee at the Weigh Station or radio base before going to mooring or contact a member of the tournament committee via phone. Failure to report on return will invoke a penalty for the team concerned of loss of points for the day or 10,000 points (whichever is the greater).

Further, any boats not signed off will be reported to the appropriate authorities as “missing at sea”. All details per the entry form of the missing vessel will be forwarded to the appropriate authorities.

## 11. Weigh Station Procedures

Once boats enter the vicinity of the weigh station, they are under the control of the Tournament Official at the weigh station. Boats must have completed and have ready for presentation all equipment used to affect the capture or tag and release and applicable paperwork. The weigh station will be open from 16:00 on Saturday and between 16:00 and 18:00 on Sunday.

## 12. Fishing Rules

The Port Hacking 100 Tournament is fished in full compliance with the current rules as gazetted by the GFAA and the NSWGFA from time to time, and includes all Species Lists and Minimum Weights as set out in the current rules as printed by NSWGFA.

Statutory Requirements - All anglers must carry a NSW Saltwater Fishing License (if applicable). Bag limit and size restrictions must also be adhered to. All competitors are reminded that it is an offence to tie any vessel to objects, such as wave rider buoys, FADs or fish trap buoys.

Replacement of boats and competitors - No replacement of boats or competitors for whatever reason will be allowed after entries close (**12:00pm Friday 29<sup>th</sup> April 2022**). Anglers may not affect a capture or tag and release on any other vessel than the vessel he/she is registered on. Tag and release card, angler, all equipment used in the tag must be presented to the weigh station on the vessel on which the tag and release was affected and may not be transferred to another vessel. However, in the case of an emergency the Tournament Committee may at their discretion allow the transfer of an angler and equipment used to affect the tag.

12.1 The use of identifiable Marlin carcasses is prohibited for use as tethered burley. Burley secured under floats is prohibited.

12.2 In the event of a multiple strike on separate lines being fished by a single angler, only the first fish fought will be eligible for all point scores or records in NSW waters.

12.3 Anglers must use the “Billfish Tag” to tag all billfish species (including short bill spearfish). This is the only tag that will be recognised for billfish in any tournament, competition, point score and trophy. The “Billfish Tag” is for billfish only point score (no other species).

12.4 The declaration of a Gale Warning by the appropriate government weather authority will automatically require the cancellation of any tournament or event conducted under the

**BGS**  
ELECTRONICS

d’Albora

**Little Audrey

auspices of the New South Wales Game Fishing Association and its member clubs. In the event of a declaration whilst vessels are at sea, such vessels are required to cease fishing immediately and return to port. Cancellation will only apply until the Gale Warning is Lifted.

12.5 The method of releasing tagged fish - The hook is to be removed, or the leader is to be cut as close to the hook as possible.

12.6 Capture of sharks on 4kg line will not qualify for this Tournament, nor do they qualify for any other competition or club point score. All sharks tagged must measure 100cm or more.

12.7 Line and Backing; The use of backing is permissible. (Note: there is no restriction on the type or size of backing used as long as it is Monofilament, multifilament, lead core multifilament but not wire.) The catch shall be classified under the breaking strength of the first five metres of the line preceding the double, leader and hook. This section must be comprised of a single homogenous piece of line (for record claims, 16m of the single line must be supplied). Note: Small Fry shall be under the age of eleven (11) years when the capture is made. Junior anglers shall be under the age of sixteen (16) years when the capture is made.

12.8 Sale of fish - Any fish weighed shall not be sold or bartered. Such fish will be ineligible for any trophies or awards. Anyone found to have sold their catch will be disqualified from the tournament.

12.9 Circle Hooks – Circle hooks are permitted to be used for live baiting and trolling natural baits (whether live, dead, mutilated or dissected). The only exception to this is when targeting Narrow Barred Mackerel (*Scomberomorus Commerson*). No points to be scored for any species caught while using live baits or trolling natural baits with “J” hooks.

### 13. Evidence of Tag and Release

All Tag and Release of fish throughout the competition must be accompanied by time and date stamped photographic images. The tournament committee may, at its discretion, review the photographic images at any stage throughout the tournament and amend provisional results accordingly. Failure to provide the images, or images that do not contain the object of the day, (Photographic evidence), will result in zero points being allocated to the tag & release. The object to be used in photographic evidence for day one of fishing will be randomly

selected, in which case it will be announced at the tournament briefing on the Friday night, published on the Port Hacking Game Fishing Club Facebook page and advised over the radio. The object to be used for photographic evidence on day two will be announced at the commencement of the final sched at the end of day one's fishing and published on the Port Hacking Game Fishing Club Facebook page and again over the radio on the Sunday morning. Images provided to the tournament committee as evidence of tag and release must be date stamped.

#### **14. Fishing Zone**

The area of competition is restricted to the waters south of 33.35.000 Barrenjoey Light House and north of 34.36.000 Kiama Light House and 60 nautical miles seawards from the NSW Coastline (as per Central Zone grid map).

#### **15. Point Score**

Point scoring will be as per the current NSWGFA point score system for both capture and tag and release. In the case of a tied result a count-back shall apply so that the first competitor or team to achieve the score will be the winner. Note that the time of capture or tag and release must be clearly shown on all documentation submitted to the Tournament Committee. If the time and date of capture or tag and release is not recorded, then the time will be deemed to be the end of fishing. Note also that if the line class is not clearly shown on all documentation then the line class shall be deemed to be 60kg.

#### **16. Weigh Station**

The cut-off point to the weigh station for the purposes of Rule 7 is deemed to be a line extending east into Gunnamatta Bay from the southern extremity of the floating marina of the RMYC.

Captures may be weighed by a Committee Member of a competing club at another port. The Capture Certificates along with all tackle and equipment used in any capture or Tag and Release including the terminal tackle (lure, hooks, trace and double, tag pole or gaffs) must then be inspected and verified by a Committee Member of that competing club.

All captures, tag and release cards (including rods, reels, tag poles and traces) can also be presented by water to the Tournament Point Scorer at the RMYC at the first available opportunity unless the Tournament Committee decides that the conditions are not suitable to do so safely.

#### **17. Fish Handling**

Carcasses must be taken not less than 2nm to sea and disposed of by the following day. No fish are to be disposed of in any marine park. Failure to comply with this rule will result in a

penalty against the offending boat of 10,000 points. In the event of any shark or marlin being given away for eating, only the fillets may be given and the remaining carcass is the responsibility of the skipper and crew.

**18. Protests**

All protests must be in writing and signed by the team captain, and must be lodged with the Tournament Committee no later than one hour after the weighing of the last fish of the day.

**19. Penalties**

The below mentioned behaviour will attract the corresponding sanctions:

Offence	Sanction
Misleading reporting – any fish found to be more than 20% different from the measurement reported on the radio sched at the time of capture	Forfeiture of points for the capture.
Failure to sign-off with radio base following entering port	10,000 points
Failure to report on two (2) consecutive scheds with radio base.	Disqualification of team from the Tournament; Instigation of Maritime “missing at sea” Procedures & such penalty as imposed by the Tournament Committee.
Excessive boat wash in the area north of the southern entrance to the Gunnamatta Bay channel.	10,000 points
On RMYC premises - inappropriate and undesirable conduct, not following directions of security, and noise violations.	Sanction upon individuals or teams befitting the degree of the offensive behaviour (within the Committee’s absolute discretion) up to disqualification.
Any physical violence on RMYC Premises.	Instant Disqualification.
Failure to dispose of fish carcasses appropriately.	10,000 points
Sale of captures.	Disqualification of the team from the tournament

**20. Tackle**

The Committee will test and inspect any tackle used by a competitor or team to capture or tag and release a fish submitted to the tournament.

## 21. Insurance

Any vessels entered in the tournament for competition must be insured against risk of damage and injury to third parties to a minimum of \$10,000,000. The Tournament Committee, PHGFC, and RMYC carry no responsibility for damage, loss (whether direct or consequential) or other injury to person or property as a result of entering the tournament, visiting or mooring at the RMYC. A Certificate of Currency of the appropriate insurance must be supplied with the entry form.

## 22. Seaworthiness and Bad Weather

It is the responsibility of the owner of each vessel entered in the tournament to ensure that vessel is completely seaworthy and meets the safety standards of NSW Maritime and the club to which the vessel is affiliated. The tournament may be called off due to bad weather. The decision to put to sea, or remain at sea is entirely the responsibility of the skipper of the vessel. The Committee accepts no responsibility for decisions made by individual teams and boat crews, who must decide whether to put to sea, or remain at sea. The rules of the sea apply. In the event of a gale warning or a higher category of warning issued by the Bureau of Meteorology for the fishing area, the Tournament Fishing Zone will be narrowed or the Tournament called off. No fish reported after that time will be accepted for points in the Tournament. All vessels must immediately return to port and notify the game fish base as to their position on the sched called at the time of the Gale Warning Cancellation. The Tournament Committee reserves the right to postpone or cancel the tournament at any time.

## 23. RMYC – Port Hacking Noise Abatement

The RMYC – Port Hacking is located within a residential area where residents are sensitive to noise and other disturbances. Strict noise and conduct etiquette are to be observed at all times by competitors (refer to Rule 19 Penalties).

**Misconduct:** The Tournament Committee may on its own initiative, investigate and act upon any incident of the misconduct by an angler on a boat, be he/she registered for the tournament or not, occurring during the tournament. The Tournament Committee may impose penalties of loss of points, disqualification of fish, angler, boat or team and refusal of entry to any future tournaments. All competitors are reminded that as members of a club they are regarded as representatives of that club and, as such, unbecoming behaviour reflects adversely on the club and indeed on all game fishers, hence, the Tournament Committee reserves the right to take any action it deems necessary in these circumstances.

**Conduct:** It is an expectation that all participants will conduct themselves in a responsible and courteous manner to Tournament Officials and other Competitors at all times throughout the Tournament.

Penalties for misconduct may include disqualification from the Tournament. These include the following:

- Dress Regulations Gentlemen (Minimum Requirement) – Shorts, T-Shirt and enclosed Footwear;
- Dress Regulations Ladies – Appropriate apparel to be worn at all times and under no circumstances is beach-wear permitted;
- Items Not Permitted – Singlets; offensive, worn out, or soiled t-shirts; overalls; football jumpers; football/training shorts; soiled clothing or footwear.

#### **24. RMYC Launching Ramp**

No trailer boats shall be launched or retrieved before 07:00 and after 22:00 Monday to Sunday. No cars and trailers are to be left on the ramp at any time. They should be parked in the marked trailer parking area at the top of the RMYC car park.

#### **25. No Camping at RMYC**

There is strictly no camping in the RMYC car park under any circumstances.

#### **26. Tournament Terms and Conditions Category 14 – Heaviest Shark (Short Fin Mako or Tiger Shark) over 350kg (Max 15kg line class)**

A. In order to be eligible for this prize, the specified fish must be caught in accordance to all State and National rules; in the manner prescribed by the International Game Fish Association (“IGFA”) international angling rules; and all other rules contained herein.

B. A winning fish must be the largest to exceed the specified weight in Item D., measured in kilograms. In the event of a tie the winner will be determined by the earliest time of capture recorded of the first eligible Tiger Shark or Short Fin Mako Shark over 350kg plus.

C. All tournament waters must have been open to the public for fishing at least one (1) year immediately prior to the tournament and must be definitively specified in Client’s Official Promotion Rules. – See Tournament Rule 14.

D. Eligible species of fish: Short Fin Mako or Tiger Shark exceeding a weight of 350 Kgs.

E. Eligible tournament waters: Those waters off Port Hacking Sydney, Australia - See Tournament Rule 14.

F. All anglers must be pre-registered, prior to the commencement of the tournament.

G. Junior Anglers are eligible to compete in this trophy category but must have the permission of their parent/legal guardian and must adhere to all terms and conditions of this category. Small Fry Anglers are not eligible to compete in this category.
